Lynn mass 7mo—18th " 1895.

Dear Friend—

Mary E. Miars:—

Our Evangelistic Committee have prayerfully considered the matter of thy decision in regard to coming to Lynn, and on behalf of Lynn Preparative meting extend to thee a cordial and hearty invitation to unite with us in our work for the

Master in Silsbee Street meeting.

We understand by thy letters that thou feels the Call to be of the Lord for Service among us.

We cannot make any definite Statement as to the exact amount thou will receive for thy support, but feel reasonably sure it will be about ($600-) Six Hundred Dollars per year, and trust that with the blessing of God upon thy labors, others may become interested who will Contribute, and the sum thereby increased. Some of our interested members cannot state the amount they will contribute, yet we are assured they will do something. Thou can readily comprehend the Situation, not having seen or even known the proposed Worker, there are those who cannot decide to what extent they will be interested to give. The Preparative meeting has assumed some financial obligation in the Case, but we must depend

largely upon freewill offerings of our members.

We will reimburse thee for the expenses of the trip to Lynn.

Thou can obtain good board for ($5.00) Five Dollars per week, and perhaps less.

Our meeting is generally united in undertaking the work to which we have called thee, and there is a good degree of life and interest among us. Although our numbers are small, the field is large and the possibilities great.

We are favorably located in the City to become a Center of influence in the Community.

Our Endeavor Society — though small has some true and tried workers who will be ready and glad to Co-Operate in any plans which may be made for more and better work.

Our Home mission Society is an efficient body of women who

are ever ready to lend a hand and help in ~~[illegible]~~ supplying the temporal wants of the needy ones.—

Our Bible School has a membership of about one Hundred, besides a Home Department.

We shall expect that the first of Ninth Month, and trust that the coming to us will be blessed to our mutual upbuilding in the life more abundant; and that through our united effort many may be led out of darkness into the Light of the Gospel of Christ.——

Signed Geo. Herbert for the Committee
